\$ 9,216

FINANCIAL AID AND SCHOLARSHIPS: The University of North Dakota offers financial aid to qualified students. Financial aid can be awarded in the form of grants, loans, employment, and scholarships. Flight costs are considered in determining a student's financial need. Approximately, \$370,000 in scholarships and training awards are granted each year to aviation students by the Odegard School. Please refer to the enclosed *Financial Aid Facts for Aviation Students* fact sheet for more information.
