

FLY AT THE SPEED OF LIFE™ WITH SUN COUNTRY AIRLINES

INTRODUCING a groundbreaking partnership between Sun Country Airlines and University of North Dakota, giving **commercial aviation students** the opportunity to secure **full-time employment prior to graduation** through the **Sun Country Bridge Program**.

This partnership gives young pilots:

- direct employment by a national carrier
- the chance to fly international routes shortly after graduation
- opportunity to fly charters for military, sports teams, politicians and entertainers
- 401 (k) 2% direct contribution + 6% match
- 75 hour/first year - monthly guarantee
- pay rate adjusted by 6% November 2018 with additional 8% November 2019
- average per diem pay \$2.80/hour while on assignment
- 100% deadhead pay
- 100% cancellation pay

With a 20% increase in the fleet this year, opportunities abound.

Eligible students at UND will be required to complete their flight hours at the university. These hours can be and often are accrued when students become paid flight instructors for the school. This means that more qualified student-pilots will remain at UND as flight instructors and continue teaching up-and-coming pilots.

Qualifications

- Must be an active and full-time student in the Professional Flight Program.
- Maintain an acceptable GPA.
- Provide a letter of recommendation from an Aviation Professor, Flight Instructor or SCA Active Pilot at interview.
- Must successfully complete Sun Country Airlines interview process.
