

UND Aerospace Aviation Family Weekend

Family Flight Checklist

Use this checklist to ensure that you have met all the requirements for conducting a Family Flight. Print this checklist and bring it with you on the day of your flight.

- Sign up for an aircraft. Obtain a receipt with the date and time of the flight.
- Attend a safety briefing at the Atmospherium, 6:30 PM, April 11th, 12th, or 13th.

If NOT flying with a flight instructor on board:

- Ensure your Biennial Flight Review is current
- Complete the [Student Currency/Proficiency Report](#)
- Obtain a wind endorsement adequate for the flight (12 knots crosswind maximum)

For ALL flights:

- Positive balance in flight account
- No open transactions

On the day of the flight:

Bring all necessary forms and documents:

- Flight certificate
 - Medical certificate
 - Logbook with wind endorsement
 - Student Currency/Proficiency Report (if not flying with flight instructor on board)
 - This checklist with all items completed
-
- Arrive at least one hour before launch time
 - Ensure all passengers attend a safety briefing in the airport classroom
 - Ensure all passengers complete a Release and Agreement form
 - Your launch is **two hours**, including pre- and post-flight. Please return your aircraft on time.
 - Follow the [Dispatch Procedures](#) checklist.
