

2017-18 Lillian Goettler ND Space Grant Award

This \$2500 award, provided by NASA and the North Dakota Space Grant Program, honors the ideals of scholarship as exemplified by Dr. Lillian Goettler. Dr. Goettler, a former faculty member in Mechanical Engineering at NDSU, set a standard for women in her field. Dr. Goettler pursued her goals by earning a Ph.D. in 1974 and working overseas before joining the faculty at NDSU in 1978. Another important piece of Dr. Goettler's legacy was her role as a founding member of Expanding Your Horizons, a program for junior high school girls to explore the fields of science and math.

Eligibility Criteria

- < Female student, majoring in science, math or engineering at NDSU
- < Show academic promise
- < Be enrolled as a full-time student
- < Plans to continue with education and earn a Master's or Ph.D.

Name _____ ID # _____

Address _____ Phone # (____) _____

Major _____ Date of Birth _____

1. What prompted you to go into the field of study that you've chosen?

2. Please give a brief summary of your educational and career goals.

3. Please provide any information you feel might be pertinent to your eligibility for this scholarship and your need for financial assistance.

I understand that I am not required to release my financial and academic information, but I recognize by signing below that I wish to have this information disclosed to evaluate my application.

Applicant Signature

Date

Please return the completed application to Sheri Eberle, Engineering Administration 203 by February 23, 2018.
